

# DevOps Gathering

FEBRUARY 19 - 21, 2018  
IN BOCHUM, GERMANY

**PROUDLY PRESENTED BY  
BEE42 SOLUTIONS**

DEVOPS-GATHERING.IO

The background image is a composite of two photographs. The left side shows a stage with two men standing on it; one is wearing a dark jacket and the other a blue t-shirt. A large screen behind them displays a cartoon bee character and the text 'os' and 'ring'. The right side shows an audience of people sitting at long tables, looking towards the stage. The ceiling is high with exposed metal beams and stage lights.

## ABOUT

---

The DevOps Gathering is an international non-profit conference located in Bochum - surrounded by the metropolitan area of the Ruhr Valley. This melting pot of past times industrial revolutions is nowadays a hot spot for Germany's IT industry - a perfect place to discuss the next big revolution of our industry, the DevOps revolution. Let's discuss the hot topics inside the DevOps community and start talking about Docker, Kubernetes, Microservices, Rancher, Clouds and everything else regarding DevOps.

The bee42 solutions gmbh will host the DevOps Gathering at the G DATA Campus in Bochum. bee42 is striving for a community event with high-quality content and experienced international speakers.
